The Academy sells textbook and kit items to the Student at the same cost (for these items) incurred by The Academy. In order to keep learning materials relatively current with changes in the industry and regulatory changes, The Academy, from time to time, may change the selection of textbook and kit items and it reserves the right to do so at its discretion. The Student will receive the appropriate textbooks and supplies required for the Educational Program from The Academy at the appropriate time that The Academy determines. Textbooks and supplies are subject to change at the discretion of The Academy.

Students will at his/her own cost, provide and wear Academy approved apparel and shoes. Students provided their own basic classroom school supplies such as stationery supplies that may include pens, pencils and notebooks for note taking. Materials for class projects will be announced in the class or through other notice from The Academy

Textbook and Kit charges are separate from Tuition and Fees.
